WE’RE GOING BACKWARDS
How many of you have ever heard that women are less confident or lack ambition relative to men?
MYTH: FIX THE WOMEN
Having trouble succeeding at work? Every woman knows capability is imperative for professional achievement, workplace success, and personal satisfaction. Unfortunately, how far can you go without confidence? There is nothing to worry about, you are not the only one that lacks confidence. There are many leaders that lack confidence.
How many of you have heard that there aren’t enough women for the top jobs?
MYTH: NOT ENOUGH WOMEN IN THE PIPELINE
